

PARKER

NEW YORK

SPRING 2025 COLLECTION

Contemporary with a romantic edge; for embracing life's special moments.

WHO WE ARE

Parker is dedicated to crafting a new era of style that resonates with a timeless spirit. Committed to fashion-forward clothing, Parker designs for the person that values precise fit and attention to detail.

Inspired by metropolitan life, Parker creates long-lasting versatile pieces that exude confidence, individuality, and sophistication.

SP25 COLLECTION

Our Spring '25 collection exudes sophistication with vibrant colors and refined floral patterns, perfectly capturing the essence of spring. Drawing inspiration from the stages of a peony flower as it grows, the collection features beautiful prints and graceful silhouettes. Each piece evokes the vitality and freshness of springtime, creating a lasting impression. Embrace this season by bringing a touch of sunshine to your wardrobe.
